*The names of pupils dropped from the rolls during the year must be entered here in alphabetical order, grouped separately by sexes. The names of all pupils here recorded must also appear on the preceding pages, in their proper places, in order that the school may receive credit for the number of days they were in attendance.

If a pupil is withdrawn and returns during the same quarter the name should not be included, as he is not considered "dropped." Pupils who remain at the school during vacation and leave before the session actually opens should not be included. Make a separate report for such vacation pupils.
